Seasonal highway load restrictions coming soon

Due to continued warm weather patterns, seasonal load restrictions may be implemented on North Dakota state highways as early as next week. Depending on weather conditions, these restrictions typically remain in effect until roadbeds have stabilized enough to carry normal traffic.

Statewide seasonal load restriction information is available by calling 511 online at www.dot.nd.gov/travel-info or through our web app at <http://www.dot.nd.gov/travelinfo/ndroads.htm>. Load restriction email updates are also available at <http://www.dot.nd.gov/roadreport/loadlimit/loadlimitinfo.asp>.
